

Information that informs competent nursing practice

Health and Disability Commission Code of Rights
Grants a number of rights to all consumers of health services in NZ and places corresponding obligations on providers of those services.

HPCA Act 2003
Provides a framework for the regulation of health practitioners in order to protect the public.

Nursing in Aotearoa New Zealand: A definition

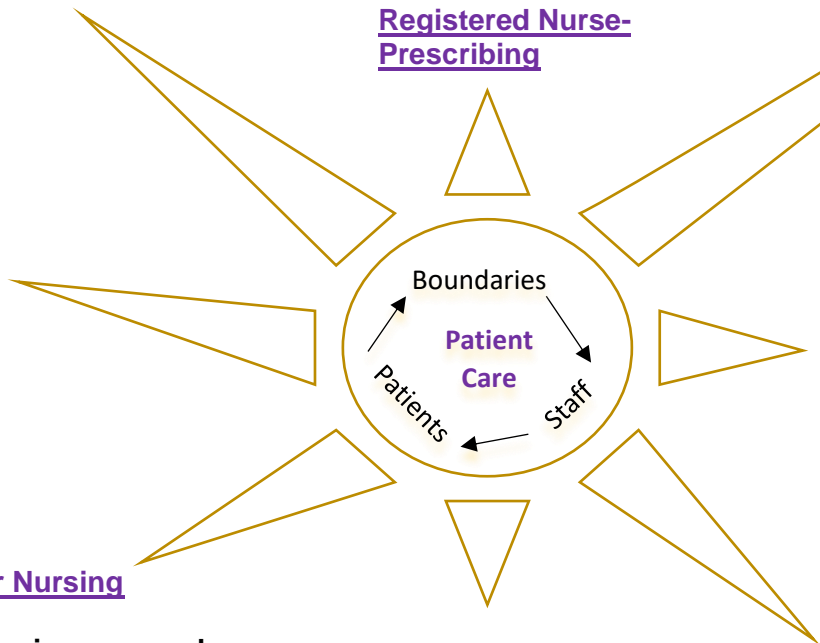

2020 and Beyond: A Vision for Nursing (NZNO)
The goal of all professional nursing care and activity in Aotearoa New Zealand is to achieve improved health outcomes and improved health and social equity for all New Zealanders, regardless of their age, ethnicity, religion, gender, sexual orientation, or ability to pay.

Nursing council of NZ (NCNZ)

Nurses Code of Conduct (2012)

Scopes of practice, included competences for each scope

Registered Nurse-Prescribing

NZNO Strategy for Nursing 2018 – 2023

Advancing the health of the nation
Hei oranga motuhake mō ngā whānau, hapū, iwi.

NZNO Code of Ethics (2010)
Guide's nurses' practice, and communicates to society the nursing profession's ethical values. It has been formulated and updated in response to the need for a code that closely reflects the current context of nursing practice.
