

# Indemnity insurance

## WHY CHOOSE NZNO?

You need to read this even if you have indemnity insurance cover through your employer or education provider.

NZNO's indemnity insurance covers you for claims related to your professional practice, such as matters before the Nursing and Midwifery Councils, the Health Practitioners Disciplinary Tribunal, Health and Disability Commissioner investigations, Coroners inquiries and more.

While some employers may be able to assist you under their indemnity insurance policy, NZNO advises against relying on an employer's policy because

- » they may not be able to provide you with independent representation;
- » a conflict of interest may exist if your employer lays a complaint about you;
- » there may be no coverage outside the workplace.

NZNO's team of experienced medico-legal lawyers and other staff can assist with all of these events.
