

## Conference Listing

**New Zealand Association of Clinical Research 16<sup>th</sup> Annual Conference**  
**Thursday 21 - Friday 22 August 2025**  
**The Pullman Hotel, Auckland, New Zealand**

[www.nzacres25.nz](http://www.nzacres25.nz)

We invite you to attend the NZACRes Conference to be held at the Pullman Hotel in Auckland, New Zealand from 21-22 August 2025.

Traditionally a biennial event, the New Zealand Association of Clinical Research (NZACRes) conference is the most important networking event for clinical researchers in Aotearoa.

We encourage you to register for our conference in 2025 to remain on the cutting edge of industry developments and more and for the meaningful kanohi ki te kanohi (face-to-face) interactions that are so valuable.

The clinical data gathered in New Zealand is of the highest quality in both industry-sponsored and investigator-led trials. Support for our 2025 conference by representatives from all facets of in the industry including Sponsors, CROs and sites is critical, and an endorsement of this fact. With your support we can grow the industry in New Zealand and its place on the international stage, building on our performance and reputation that has been established over many years.

Our conferences have always been enjoyed and valued by those who have attended, and we, the Organising Committee are committed to, once again, bringing value to all those who support us and attend. Help us grow and support you to grow! Join us at the 2025 Conference.

Yours sincerely,  
 NZACRes 2025 Conference Organising Committee

---

*The New Zealand Association of Clinical Research (NZACRes) is the professional association for clinical researchers and clinical research related staff in New Zealand. The Association was formed to foster and promote clinical research by bringing together members of the clinical research community to discuss issues and create collaborative solutions for our industry. Membership includes an extremely broad range of clinical research roles across a number of organisational types including pharmaceutical companies, clinical research organisations, regulatory bodies, university and hospital-based staff. NZACRes is a non-profit scientific educational organisation run by a team of volunteer officers elected from amongst its members.*
