

Skin Cancer Study Day for Nurses Auckland Region

Friday 7 May 2021 | Clinical Education Centre, Auckland City Hospital

A one-day course for primary and secondary care nurses and nursing students that will:

- Provide an overview of skin cancer prevention, early detection, treatment and care with a focus on melanoma
- Increase understanding of the journey of a skin cancer patient and the critical role of a nurse throughout this journey
- Provide an opportunity for networking with colleagues across the region, fostering new connections, collaboration and sharing of resources.

Cost: \$75.00 | [See the programme](#) | [Register now](#) | [More information](#)
