

My name is Candice Smith and I am a Regional Administrator for NZNO, based in the Auckland office.

I have the pleasure of providing administrative support for your Management Committee and Regional Council meetings. As a Regional Administrator I provide support for the Industrial Adviser for NZNO, previously in the Aged Care Sector and since 2020, the DHB Sector. In addition to these roles, I am a Health and Safety Rep for NZNO Auckland office and have previously served NZNO staff as a union delegate and JCC Co-Convenor.

I have worked for NZNO for 5 years after a career in the early childhood sector; as an educator in ECE and Leadership development and in the disability sector. When I wanted a career change, my explorations lead me to NZNO where I can provide appropriate support to people working in high stress roles. When I put that request in to Google, this position came up and as I come from generations of a strong union focussed family this was a natural progression for me.

My interests are walking, reading, family history and exploring our beautiful country.
