RE:	IMPORTANT POSTING – Annual meeting Call for committee nominations, remits, rule changes, 2023

The NZCCCN Annual meeting will be held on  
10 November 2023  
via Survey monkey online voting  
Details will be sent at a later date.

Our annual meeting has historically been held at the Australia New Zealand Intensive Care Society (ANZICS) New Zealand Conference held annually in March/April. ANZICS have formally changed the timing of this conference and it will now be held during the October/November period. Due to uncertainty this year of this conference going ahead, the committee have decided to progress with an online annual meeting this year as a replacement.

Please find the attached call for committee nominations, remits and rule changes. After the closing date of 15 September 2023 we will email out again with further details, reports for you to read, voting details etc and you can participate in voting using a survey monkey format.

If you have any questions or comments, feel free to email us at [criticalcarenurses@gmail.com](mailto:criticalcarenurses@gmail.com)
