Mission Statement:

We aim to promote excellence in emergency nursing within New Zealand/Aotearoa, through the development of frameworks for clinical practice, education and research.

Role of the College of Emergency Nurses New Zealand:

- To encourage and assist in the establishment of education programmes for emergency nurses
- To develop and review standards for emergency nursing practice
- To develop and disseminate current standards for emergency nursing practice
- To provide official representation for emergency nurses and liaise with appropriate authorities on issues relevant to emergency nurses at local, national and international level
- To provide professional communication through publications, meetings and conferences

- To support and grow the Māori emergency nursing population in Aotearoa-New Zealand
- To allow opportunities for the membership to present and discuss the practice, research and future direction of emergency nursing
- To promote interest and research in the field of emergency nursing
- To ensure Te Tiriti o Waitangi is reflected in all activities of CENNZ
- To promote and support emergency nurses in advanced practice roles
- To support the objectives of the New Zealand Nurses Organisation

Opportunities with CENNZ:

- **New Zealand Triage Course:**

The CENNZ Triage Course supports the proficient emergency nurse to make rapid assessments, select the appropriate Australasian Triage Scale score using skilled questioning and clinical judgement, and initiate early interventions.

- **Emergency Webinars**

Access to webinars for professional development on a broad spectrum on emergency topics.

- **CENNZ Conference**

Opportunity to connect with emergency nurses nationally, with education on relevant themes

- **CENNZ Knowledge and Skills Framework**

Addresses educational prerequisites essential for upholding elevated nursing standards within emergency nursing.

Network Groups:

To provide educational and networking opportunities for nurses in advanced practice roles working in emergency care settings.

- Nurse Practitioner Network
- Advanced Emergency Nurses Network
- Emergency Nurse Educator Network
- Emergency Charge Nurse Manager Network
