ABOUT THE COURSE:

The Emergency Nursing Paediatric Course was developed by the ENA (USA) to improve the care of the paediatric patient through international development and the identification of a standardized body of paediatric nursing knowledge. ACEN is proud to deliver this course throughout Australia and New Zealand.

ENPC offers interactive learning with scenarios – based assessments

- Using the Paediatric Assessment Triangle to identify sick, sicker and sickest paediatric patients
- Identifying subtle changes early in the paediatric patient to prevent rapid deterioration
- Cultural considerations
- Pain Management
- Techniques for interacting with the child and family
- Instructors with Extensive Emergency and Paediatric Experience

ENPC is a 2 day intensive course with a comprehensive manual, hands on skill stations and group discussions. The complete course is covered during this time, including the multiple-choice exam and skill station testing. Results are given out at completion of the course.

The Australian College of Emergency Nursing Ltd. will award 20 in-service hours to participants who attend the entire course regardless of their performance during testing. Successful participants will receive a certificate, in-service certificate, badge and provider card.

COURSE MATERIAL

Once your enrolment is confirmed, your ENPC Provider Manual will be mailed. It reinforces and supplements lectures and psychomotor skills content. The comprehensive manual, and pre-test provides information regarding essential course concepts and should be thoroughly reviewed before the course.

COURSE PARTICIPANTS

Only registered or enrolled nurses may officially attend ENPC. Other health care providers may audit the course and will be given an in-service certificate.
