ABOUT THE COURSE:

The Trauma Nursing Core Course (TNCC) was developed by the ENA (USA) to improve the care of the trauma patient through international development and the identification of a standardized body of trauma nursing knowledge. ACEN is proud to deliver this course throughout Australia and New Zealand

TNCC offers interactive learning with scenario-based assessments.

- Evidenced-based content developed by trauma experts
- Instructors with extensive emergency and trauma experience
- A systematic approach to initial assessment
- Hands on practical training for the provision of expert patient care

TNCC combined program is a 1.5-day intensive course with a comprehensive manual, hands on skill stations and group discussions. The combined course utilises the use of compulsory online educational modules, face to face educational and skill station teaching and testing and taking the online multiple-choice examination post course. Results of the skill stations are given out at completion of the classroom activities and the result is given out through ENA once the online examination is completed.

The Australian College of Emergency Nursing Ltd. will award 20 in-service hours to participants who attend the entire course regardless of their performance during testing. All participants will receive an in-service certificate, at the time of the course. The Provider Verification card will be issued by ENA once the examination has been successfully completed.

COURSE MATERIAL

Once your enrolment is confirmed, your TNCC Provider Manual will be mailed with the information required to access the compulsory online modules. It reinforces and supplements lectures and psychomotor skills content. The comprehensive manual, and pre-test provides information regarding essential course concepts and should be thoroughly reviewed before the course.

Please note: YOU MUST COMPLETE THE COMPULSORY ONLINE MODULES AT LEAST 1 WEEK BEFORE THE COMMENCEMENT OF THE COURSE. FAILURE TO COMPLETE THE MODULES IN THIS TIMEFRAME MEANS THAT YOU WILL NOT BE ABLE TO CONTINUE WITH THE COURSE AND ARE NOT ELIGIBLE TO TRANSFER TO ANOTHER COURSE OR OBTAIN A REFUND.

COURSE PARTICIPANTS

Only registered or enrolled nurses may officially attend TNCC. Other health care providers may observe the course and will be given an in-service certificate.
