

## **College of Emergency Nurses New Zealand - NZNO AENN Award**

### Purpose:

This award was established by CENNZ in recognition of the contribution to the Advanced Emergency Nursing role.

An annual award granted to an individual AENN member in recognition of their contribution to the advanced nursing role, specifically, in improving quality and promoting excellence in patient care.

This award is reflective of CENNZ's commitment to diversity in the granting of awards with the goal of promoting excellence in emergency nursing.

### Inclusion:

- The nominee must be a full financial CENNZ member for the preceding two financial years.
- Nominations may be made to the AENN group co-ordinator and two additional AENN members, nominated by the AENN group, at the first AENN meeting of the calendar year.
- The award is made to a different person each year.

### Specifics:

- The annual award to the recipient will be \$250.
- The award will be presented at the CENNZ-NZNO National Conference.
