### Policy Remit

## College of Emergency Nurse's National Nurse Practitioner Network

The National Committee of the College of Emergency Nurses New Zealand (CENNZ) wish to present the following CENNZ Policy Remit for voting at CENNZ AGM 14 September 2019.

**Recommendation: The National Committee of the College of Emergency Nurses New Zealand recommends that the College of Emergency Nurses New Zealand membership endorse the establishment of a College of Emergency Nurse's National Nurse Practitioner Network.**

#### **Rationale**

The Nurse Practitioner Network reflects CENNZ commitment to standards of practice that promote excellence in emergency nursing. This network will support the strategic aims of CENNZ to provide and promote emergency nursing professional development, to support and strengthen growth of emergency nursing and to establish a strong image for emergency nursing in New Zealand/ Aotearoa.

#### **Background**

The National Nurse Practitioners Network will be established according by the Committee according to CENNZ rules 3.2(c) To develop and promote advanced emergency nursing practice in New Zealand / Aotearoa.

It is envisaged that the position statement represents and endorses the evidence that Nurse Practitioners have a distinctive role in contributing to positive health outcomes of New Zealanders, providing leadership in nursing ,contributing to the development of the workforce and the promotion of research, quality initiatives and evidenced-based practice.
