

Policy Remit for Voting on the College of Emergency Nurses Revised Position Statement on Triaging Away

The National Committee of the College of Emergency Nurses New Zealand (CENNZ) wish to present the following CENNZ Policy Remit.

Recommendation: The National Committee of the College of Emergency Nurses New Zealand recommends that the College of Emergency Nurses New Zealand membership endorse the revised Position Statement on Triaging Away.

Rationale

The College of Emergency Nurses New Zealand - NZNO believes that health care should not be denied to any patient requesting care from an emergency department. The College of Emergency Nurses New Zealand - NZNO does not support the practice of triaging away.

Background

The existing CENNZ Position Statement on Triaging Away was endorsed at the AGM in 2007. The position of CENNZ remains unchanged.

The position statement references and wording have been updated by the Committee during 2022 and circulated for consultation prior to presenting for endorsement at AGM.
