ABOUT THE COURSE:

The Trauma Nursing Core Course (TNCC) was developed by the ENA (USA) to improve the care of the trauma patient through international development and the identification of a standardized body of trauma nursing knowledge. ACEN is proud to deliver this course throughout Australia and New Zealand

TNCC offers interactive learning with scenario – based assessments

- A Systematic Approach to Initial Assessment
- Hands on Training to Provide Expert Care
- Evidenced – based Content Developed by Trauma Experts
- Patient Advocacy Regarding Pain Management and Family Presence
- Instructors with Extensive Emergency and Trauma Experience

TNCC is a 2-day intensive course with a 21-chapter comprehensive manual, hands on skill stations, lectures and group discussions. The complete course is covered during this time, including the multiple-choice exam and skill station testing. Results are given out at completion of the course.

The Australian College of Emergency Nursing Ltd. will award 20 in-service hours to participants who attend the entire course regardless of their performance during testing. Successful participants will receive a certificate, in-service certificate and badge and provider card.

COURSE MATERIAL

Once your enrolment is confirmed, your TNCC Provider Manual will be mailed. It reinforces and supplements lectures and psychomotor skills content. The comprehensive manual provides information regarding essential course concepts and should be thoroughly reviewed before the course.

COURSE PARTICIPANTS

Only registered or enrolled nurses may officially attend TNCC. Other health care providers may audit the course and will be given an in-service certificate.
