I want to help paint a picture of a workforce in Aotearoa that has historically been degraded, unrecognised and not always thought of being as an important part of the healthcare team.

Several thin, white, parallel diagonal lines are positioned on the right side of the slide, extending from the middle towards the bottom right corner.

JOURNEY OF AN ENROLLED NURSE AND A BRIGHT FUTURE

Presentation for the MOH International Year of The Nurse
Webinar December 2020.

So to all the Enrolled Nurses out there, stand up and do what you love doing. Be proud to be an Enrolled Nurse. We are a big part of the future, not just the past. We do make a difference and we will forge forward, onwards and upwards to better pathways, more opportunities and a bigger nursing workforce.

Now There Is.....

\$55.8 Million dollars over the next 5 years towards upskilling and accelerating our Registered Nurses to help them become more skilled practitioners to lessen the burden on GP's in Primary Health Care
