

Enrolled Nurse Section (ENS) Elections 2023

We are seeking nominations for five Committee members to represent the Enrolled Nurse Section.

3 current committee members are restanding for a further two years.

Nominations close at 5pm on Sunday 2nd April 2023. Nominations to be sent to the EN Section secretary as per the nomination form.

The Enrolled Nurse Section NZNO wishes to announce that nominations for the National Committee are now open and close at 5pm Sunday 2nd April 2023.

The Enrolled Nurse Section National Committee have compiled Position Descriptions and Role Specifications for the positions on the Enrolled Nurse Section National Committee.

As the Enrolled Nurse Section NZNO is a professional organisation promoting the role of the enrolled nurse in New Zealand we believe that those seeking nomination as Committee members should be leading by example and meet all the criteria in the position descriptions.

The Secretary and Treasurer positions are nominated and appointed at the first Enrolled Nurse Section Committee meeting post the Annual Enrolled Nurse Section Conference. We have included the Position Descriptions and Role Specifications for these roles so that those being nominated are aware of what these positions entail. [These can be downloaded on the ENS website.](#)

If the number of nominations received is greater than the positions available a postal ballot will be required and voting papers will be sent out to all members. See ENS rules 2019 which are also downloadable from the ENS Conference page on the website.

The Committee will be announced at the Enrolled Nurse Section Annual General Meeting on the 24th May 2023. Those successful will be expected to attend the Enrolled Nurse Section Committee meeting following the end of conference on Thursday 25th May 2023.
