

GENCA is hosting three **Fundamentals of endoscope reprocessing** workshops in New Zealand in 2022 with Practical Skills available.

Registrations are open, register now to secure your spot.

Details of the three workshops are:

**Date:** Friday 20 May 2022

**Location:** Riccarton Park, 165 Racecourse Road, Broomfield, Christchurch

**Time:** 8.30am to 4.00pm

**Date:** Friday 1 July 2022

**Location:** Ko Awatea, Middlemore Hospital, 100 Hospital Road, Otahuhu, Auckland

**Time:** 8.30am to 4.00pm

**Date:** Friday 19 August 2022

**Location:** Miramar Golf Club, 1 Stewart Duff Drive Miramar, Wellington

**Time:** 8.30am to 4.00pm

**What you will learn?** This is a foundation program that serves as an introduction to the reprocessing of flexible endoscopes incorporating infection control, structure and function, water filtration and workplace health and safety.

### **Registrations**

Can be made via the GENCA [website](#) or contact the GENCA office via [email](#). Simply visit the GENCA calendar to book your place at:

<https://www.genca.org/education/find-an-event/>

A limited number of practical skills assessments are available following each of the Fundamentals workshops. Please complete the [application form](#) and submit to GENCA via fax on 1300 799 439 or via email to [fundamentals@genca.org](mailto:fundamentals@genca.org). Individual times for assessments will be sent via email once the registrations are processed.
