

Guidelines For Authors

All manuscripts, reports, area news or letters received by the editor will be acknowledged, If you have not received confirmation of receipt within six weeks, please contact the secretary (secretaryofnznzgnc@gmail.com).

Suggestions for articles include:

- Recommendations for nursing practise based on current global trends/literature
- Overview of learning achieved through post graduate paper, or conference attendance
- Review of literary article relevant to best practise
- Case study relevant to specialty
- Education for nurses based on sub specialty topic
