General business	Brett Smith – questions in the rules, at times biennial and some bi-annual. Needs to be “Bi-annual”. Anne Brinkman – people are interested, but because of all the overtime, difficult to find members with enough time to attend MHNS events. Helen Garrick – police not attending so quickly is adding to chaos, activity is spreading to on-line resources eg. councillors on Helpline. Carla Berquist acknowledged that there would be plans to change police attendance at welfare checks. Anne Brinkman – Health NZ needs to assist with DAO's. Webinars to connect with members. Can discuss it with members at March meeting. Bruce Tomlinson, why can enrolled nurses not be a member of Mental	

	Health Nurses Section? General consensus, there are courses to upskill – a lot of enrolled nurses filling gaps when no registered nurses available. Anne Brinkman – rules do not mitigate against ENs joining.
