<b>Name of Applicant:</b>	Kristy MacDonald
<b>Which scholarship did you apply for:</b>	<input type="checkbox"/> Maori student of nursing <input type="checkbox"/> Pacific student of nursing <input type="checkbox"/> Mature student of nursing (aged over 30) <input type="checkbox"/> Student of nursing (aged under 25) <input type="checkbox"/> Student of enrolled nursing <input type="checkbox"/> <b><u>General award</u></b>
<b>Please write a report on how the scholarship has contributed to nursing and to your own professional development. You can also attach documents to the report.</b>	<p>The funds I received as part of this scholarship were utilised by putting them towards my Bachelor of Nursing course fees for 2015. This has been beneficial in allowing me to fully focus on my transition placement without having additional financial pressure. I have been able to make the most of the learning opportunities available by having more time to study in depth the pathophysiology, medications and client cases I have been exposed to on the ward. Thank you very much for these funds which have contributed to maximising my professional development during the past few months. I look forward to commencing a career as a Registered Nurse in the very near future.</p>
