Te Tiriti o Waitangi is the founding document of New Zealand. The Nursing Education Research Foundation and the New Zealand Nurses Organisation acknowledge the great importance of this living document. All successful applicants are expected to respect and promote the equal standing of Tangata Whenua with non-Māori.

- Applicants must be living in New Zealand.
- Individual applicants will only be eligible for one NERF grant per calendar year (with the exception of Emergency grants).
- The selection committee does consider financial need and applicants are required to give some basic information concerning income and expenditure.

**NERF Grants Assessment Committee**
The NERF Selection Committee is a minimum of three members of the NERF Board of Trustees, two of whom are NZNO representatives and a Māori nurse nominated by Te Rūnanga. The Nursing Policy Advisor and the NERF Secretary sit on this committee as non-voting members.

The decision of the NERF Trustees Grant Assessment Committee is final. Payment is made to successful applicants within six weeks of the closing date.

**Research Grants**
All research proposals are reviewed by a committee with a minimum of two members of the Nursing Research Section and one member of NERF Board of Trustees. At least one member of the committee is Maori. The Research Committee meet three times a year and make recommendations to the NERF Selection Committee who decide allocation.

**Emergency Grants**
Applications can be made at any time of the year. Eligible applicants will be paid within three weeks of receipt.

Emergency grants are reviewed by the Chair and a Māori nurse nominated by Te Rūnanga.

There may also be regional grants available in your area so contact your local NZNO office (contact details are in the Kai Tiaki Nursing New Zealand). Application forms & information available from:
