## REPORT BACK for Undergraduate Study Scholarship

<b>Name of Applicant:</b>	Fidelis Perpetua Vena
<b>Which scholarship did you apply for:</b>	<p><input type="checkbox"/> Maori student of nursing</p> <p><input type="checkbox"/> Pacific student of nursing</p> <p><input checked="" type="checkbox"/> Mature student of nursing (aged over 30)</p> <p><input type="checkbox"/> Student of nursing (aged under 25)</p> <p><input type="checkbox"/> Student of enrolled nursing</p> <p><input type="checkbox"/> General award</p>
<b>Please write a report on how the scholarship has contributed to nursing and to your own professional development. You can also attach documents to the report.</b>	<p>The awarding of the scholarship has allowed me the freedom to purchase my text books without worrying about how this would impact my little family financially.</p> <p>I have three children and a hugely supportive husband. We have a mortgage and my husband has been the sole earner during my three years of study. This scholarship has allowed me to purchase the text books thereby giving me the resources to do well in my studies. I have attached my transcript as proof that I have not squandered the opportunity given me.</p> <p>The scholarship has also aided me in travelling to and from my clinical placements in both Wellington and Lower Hutt as travel and parking costs have not been cheap.</p> <p>I strive for excellence and am not the type to rely on the well known saying of "Cs get degrees". I truly understand the importance of our work as nurses and I hope my grades reflect that. I have attached my academic transcript as proof.</p> <p>I would like to express my humble thanks to the NZNO for awarding me this scholarship and assure you that it has been a relief to both me and my family.</p>
