REPORT BACK for Undergraduate Study Scholarship

Name of Applicant:	Lian Kairua
Which scholarship did you apply for:	<input type="checkbox"/> Mature student of nursing (aged over 30)
Please write a report on how the scholarship has contributed to nursing and to your own professional development. You can also attach documents to the report.	<p>As I write this report I have only just finished my Bachelor of Nursing exam yesterday. The scholarship has helped me purchase books and enabled me to fund my travel for 12 weeks of placement in my transition semester. Because I have had this money I have been able to afford day care for my 19month old which has contributed to me getting to this point in my degree.</p> <p>I have applied to become a primary health nurse and will be positively contributing to health outcomes when I practice. This has been aided by the generous NZNO support I have received.</p>
