MERCY SHIPS

**Tuesday 17 June,

PRESENTER:
NICOLA HALL

RN Theatre Nurse, Royston Hospital Hastings

Join Nicola Hall as she shares her inspiring journey with Mercy Ships.

Nicola's diverse career has taken her from horticultural research and the wine industry to a decade in nursing, including theatre and urgent care roles across Hastings DHB, Royston, and Kaweka hospitals. After seven years working on superyachts, she retrained as a nurse and has since embraced opportunities to serve in global health. A NZMAT member since 2022 and AUSMAT-trained in 2023, Nicola recently completed her first Mercy Ships mission and is keen to continue volunteering.

This webinar will offer insights into Mercy Ships' work, life onboard a floating hospital, and Nicola's personal experience on the Global Mercy Sierra Leone in 2024 - 2025.
