

PPC Report 2026

We have had a busy year organising our Symposium in Otautahi Christchurch. We are very excited about this event and looking forward to having a huge gathering of Primary Health Care Nurses together and having inspiring guest speakers. We are facing many challenges as Nurses in Aotearoa and the focus of our Symposium is Protecting our future in Primary Health - Stronger together.

"Mehemea ka moemoeā ahau, ko ahau anake. Mehemea ka moemoeā tātou, ka taea e tātou" translates to "If I dream, I dream alone. If we all dream together, then we shall achieve."

I will be stepping down as the Chair of the PPC and from the College Committee.

I have been on the committee since 2019 and it has been a highlight of my career. I feel very privileged to have been part of this committee over the years and to be connected at a national and regional level and all the amazing friends I have made over the years.

I wish you all well and we all need to keep focusing on making the future of Nursing in Aotearoa New Zealand is safe, caring, compassionate and resilient into the future.

Nga mihi nui
