COPD EDUCATIONAL EVENT

# What's changed, what's new, and what do we do with our COPD patients?

The 2021 ARFNZ NZ COPD Guidelines

You are invited to a COPD education event hosted by  
**Asthma and Respiratory Foundation New Zealand: Te Hā Ora**

Wednesday 16th November, 2022

Distinction Hotel, Lobby Room, Ground Level, 6 Liverpool St, Central Dunedin

**6pm:** Doors open for food and beverages | **6:30pm:** Presentation commences / Q & A session  
**7:30pm:** Coffee and catch-up | **8:30pm:** Finish

GUEST SPEAKER:

**Professor Bob Hancox**  
**Scientific Advisory Board Member, ARFNZ**

Bob Hancox splits his working life between being a respiratory physician at Waikato Hospital and a researcher at the University of Otago. His main interests are in the epidemiology and treatment of airways disease. He has been involved with the Foundation for many years and was a member of both the Asthma and COPD guidelines groups.

**All registered attendees will receive the following:**

- NZ COPD Guidelines 2021 booklet
- COPD Guidelines Quick Reference Guide
- COPD Action Plans in English, Samoan, Chinese, and Te Reo Māori
- Breathlessness Strategies for COPD
- One free (normally \$135) registration for the Asthma and COPD Fundamentals eLearning Course (Endorsed by the College of Nurses Aotearoa for 12 CPD hours)

Spots are limited to the first 40 attendees.

**Tickets are available at: [copd-talks-dunedin.eventbrite.co.nz](https://copd-talks-dunedin.eventbrite.co.nz)**  
until Monday 7th November 2022 unless booked out prior.
