

Membership Report 2020/2021

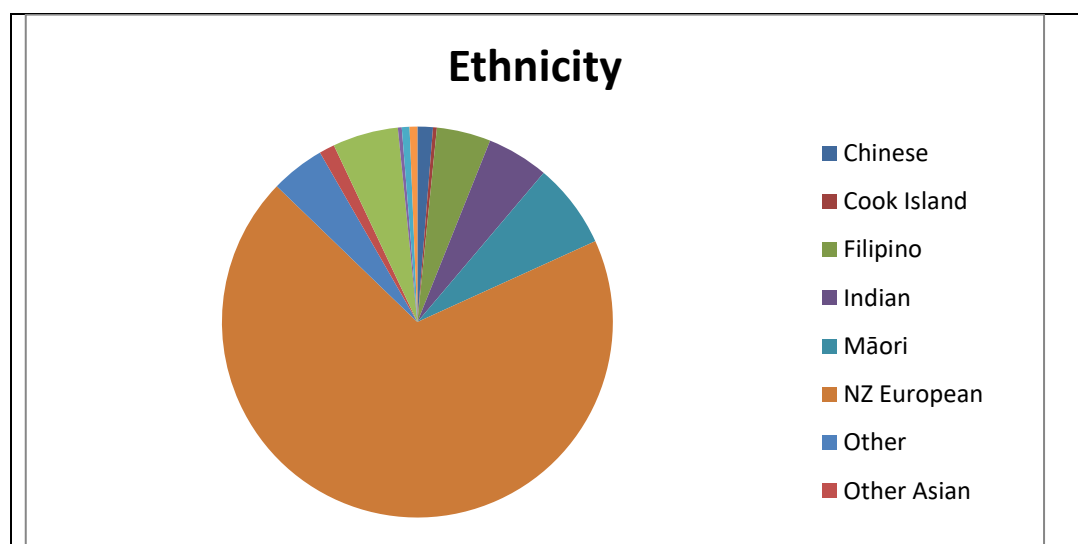

We have a total of 314 members from across all regions in NZ. This is an increase from 302 members in 2020.

The Greater Auckland region has the most numbers, followed by Canterbury & the Central region.

The majority of college members report their positions as Registered Nurses, Practice Nurses & Clinical Nurse Specialists, with 8 Nurse Practitioners.

The committee continues to promote respiratory college membership in our own roles, through teaching/education sessions, face to face opportunities and the college website.

The ethnicity category is automatically on the NZNO database
