9. Other Matters:

The College was invited to join with their Australian colleagues to participate in the Asia Pacific Federation of Coloproctology (APFCP) conference in Sydney, Australia from the 16th – 19th November 2027.

- The College will participate in the conference.
- The College is working with the APFCP to provide a New Zealand perspective of Stomal Therapists and nursing care.
- The difficulties with organising the 2026 NZNOCSTN conference have been many and attendance very low – put to members that this conference in Sydney will take the place of a March 2028 conference.

Next Annual/Biennial General Meeting

The Meeting is invited to decide the location and timetable for the next Annual/Biennial General Meeting, with consideration being given to alternation between the North and South Islands.

10. Closing

Karakia Whakamutunga
