

Open-Access Nursing and Health Resources

NZNO Library Resource Guide

AJAN Australian Journal of Advanced Nursing

<http://www.ajan.com.au/index.html>

Aims to provide a vehicle for nurses to publish original research and scholarly papers in all areas of nursing.

ANZJPH Australian and New Zealand Journal of Public Health

<https://onlinelibrary.wiley.com/journal/17536405>

Includes formal epidemiological inquiries into the correlates and causes of diseases and health-related behaviour, analyses of public policy affecting health and disease, and detailed studies of the cultures and social structures within which health and illness exist.

BMC Nursing <https://bmcnurs.biomedcentral.com/>

An open-access, peer-reviewed journal that considers articles on all aspects of nursing research, training, education and practice.

BPACNZ Best Practice Advocacy Centre NZ <https://bpac.org.nz/>

An independent, not-for-profit organisation established in Dunedin in 2003 to disseminate and communicate “best practice” evidence. Advocates for best practice in health-care treatments and investigations across a wide range of health service delivery areas.

COCHRANE Library <https://www.cochranelibrary.com/>

Cochrane library is a database focused on evidence-based medicine and assessments of health care treatments provided free to the NZ public by the Ministry of Health.

Directory of Open-Access Journals <https://doaj.org/subjects>

Independent community-curated online directory that indexes and provides access to high quality, open access, peer-reviewed journals in all subject areas. Click on Medicine>Nursing, then choose UK for country of publication, to bring up the following open-access nursing titles in English:

[BMC Nursing](#)

[Fertility Research and Practice](#)

[Global Journal of Geriatrics Nursing](#)

[Global Journal of Nursing Research](#)

[Global Qualitative Nursing Research](#)

[Nursing & Health Sciences Research Journal](#)

[Nursing Research and Practice](#)

[Nursing: Research and Reviews](#)

[Nursing Open](#)

[NursingPlus Open](#)

Or click on US for country of publication, which will bring up these open-access English-language nursing journals:

[Online Journal of Nursing Informatics](#)
[Online Journal of Rural Nursing and Health Care](#)
[SAGE Open Nursing](#)

Journal of Primary Health Care <http://www.publish.csiro.au/hc/content>

Peer-reviewed original research and systematic reviews and papers on improving performance that are relevant to primary health care. Published quarterly in March, June, September and December.

L.O.G.I.C: The official journal of the College of Primary Health Care Nurses, NZNO

https://www.nzno.org.nz/groups/colleges_sections/colleges/college_of_primary_health_care_nurses/logic_journal

Published four times per year in March, June, September and December.

Ministry of Health publications <http://www.health.govt.nz/publications>

Full-text access to current government publications, guides, standards, statistics and consumer health information. For older publications search:

<http://www.moh.govt.nz/notebook/nbbooks.nsf/mohwebsearch?readform>

Nursing Open <https://onlinelibrary.wiley.com/journal/20541058>

Immediate open access to rigorous, peer-reviewed international nursing articles published in the Wiley Online Library.

Nzresearch.org.nz <https://nzresearch.org.nz/>

New Zealand's most comprehensive selection of research papers and related resources, this site includes peer-reviewed articles and other research from universities, polytechnics, and research organisations throughout the country. Search theses or journal articles on nursing via the Advanced Search page.

PubMed Central (PMC) <https://www.ncbi.nlm.nih.gov/pmc/>

Offers a free full-text archive of biomedical and life sciences journal literature at the U.S. National Institutes of Health's National Library of Medicine (NIH/NLM).

Sage Open Nursing <https://journals.sagepub.com/home/son>

A peer-reviewed open-access journal covering all aspects of nursing, and patient care across the various nursing specialties and related disciplines.
