5.0 Definitions

"Casual employee" means an employee who has no set hours or days of work and who is normally asked to work as and when required. Casual employees cannot be used to replace genuine permanent or temporary situations except to meet business requirements where no other alternative is possible.

Each period of engagement undertaken by a casual employee is a standalone employment arrangement and the employment shall be at an end at the completion of the work required.

Nothing in this agreement, either expressly or implied, requires the employer to offer any employment to any casual employee, notwithstanding that the employee may be recognised on any list maintained by the employer to assist in obtaining casual staff.

Notwithstanding anything contained elsewhere in this agreement, a casual employee's engagement on more than one occasion, or retention on any list maintained by the employer, shall not entitle that employee to any service related benefit contained in this agreement.

"Call back" is defined as a call back to the inpatient unit and will be paid at the ordinary rate with a minimum payment of three hours. Except that if an employee is called back within 9 hours of having completed a shift, they will be paid at overtime rates for a minimum of three hours.

"Call Out" is defined as an employee who is on call, being called out to a patient in the community. In these circumstances the employee shall be paid a minimum of three hours, or for actual working and travel time whichever is the greater, at the overtime rate 8.2.1.(b) or If the employee has worked in excess of eight hours or the rostered shift whichever is the greater, is called out to a patient in the community, they will be paid at the overtime rate as per clause 8.2.1.(b).

"Designated Senior Nurse" is defined as a registered nurse who is appointed by the employer into a senior nurse role and is paid on the senior nurse scale.

"Employee" means any person employed by an employer and whose position is covered by this MECA.

"Employer" means the relevant employer employing the particular employee.

"Enrolled nurse" has the same meaning as in the Health Practitioners' Competence Assurance Act 2003 and its successors.

"Full time employee" means an employee who works not less than the "ordinary" or "normal" hours set out under "hours of work" in this MECA.

"Healthcare Assistant" means an employee who is an auxiliary to the nursing team and is able to perform tasks in their position description relating to patient care and who works under the direction of a registered nurse.

"Higher Duties" a higher duties allowance shall be paid to an employee who, at the request of the employer is substantially performing the duties and carrying the responsibilities of a position or grade higher than the employee's own.

"Night Duty" means any shift in which part of the shift is worked between midnight and 5:00am on any day of the week.

"Nurse and nursing staff" includes all employees covered by this MECA who:

- 1) are qualified for registration under the Health Practitioners' Competence Assurance Act 2003 and its successors as comprehensive, psychiatric, psychopaedic, general and/or obstetric nurses, or midwives; or
- 2) are qualified for enrolment in terms of the Health Practitioners' Competence Assurance Act 2003 and its successors as enrolled nurses; or
- 3) are undergoing a course of training prescribed by the registration body (Nursing Council) with a view to registration as aforesaid; or employed as Nurse Aides; or Health Care Assistants.

T1 refers to the ordinary hourly rate of pay; T1.5 refers to one and a half times the ordinary hourly rate of pay; and T2 refers to double the ordinary hourly rate of pay.

"Nurse Practitioner" means a person as defined by the Health Practitioners Competence Assurance Act 2003 as a Nurse Practitioner.

"Overtime" is time worked in excess of 8 hours per day or the rostered shift whichever is greater, or 80 hours per fortnight, when such work has been authorised in advance.

"Part-time employee" means an employee, other than a casual employee, who is employed on a permanent basis but works less than the ordinary or normal hours prescribed in this MECA. Any wages and benefits e.g. leave will be pro rata according to the hours worked unless specifically stated otherwise in this MECA.

"Professional Development Recognition Programme (PDRP)" is a framework that helps nurses develop their professional practice and assist them on a career pathway. The PDRP encourages nurses to reflect on their practice and to set goals to plan for their future in care delivery and leadership. All Hospices covered by the MECA see the transition of all Nurses to the PDRP as vital to our 'specialist' status and therefore all Hospice Nurses are encouraged to complete their PDRP.

"Registered Nurse" means a person as defined by the Health Practitioners' Competence Assurance Act 2003 as a Registered Nurse.

"Service" means current continuous service with the employer. Service shall be deemed broken by an absence of more than 12 months.

"Fixed Term Employee" means an employee who is employed for a specified limited term for a specified project, situation or event, or, for example, to replace an employee on parental leave or long term accident or sickness. There is no expectation of ongoing employment. Fixed Term agreements must not be used to deny staff security of employment.

"Week" is defined as midnight Sunday/Monday to midnight Sunday/Monday, for the purpose of calculating the pay week and "fortnight" has a corresponding meaning involving two successive weeks.

6.0 Hours of Work

The parties note that the Health & Safety at Work Act 2015 requires the employer to take all practical steps to prevent harm occurring to employees from the way work is organised.

In designing and implementing shift rosters to meet service needs, the employer shall ensure the disruption, personal health effects and fatigue associated with shift work are minimised for the group of workers involved.

- 6.1 The ordinary working hours of an employee employed full-time shall be 80 per fortnight.
- 6.2 Employees will normally work eight hours a day/shift in duration, however night shift hours may vary in some hospices by agreement, except that part-time employees by mutual agreement between the employer and the employee, may work shifts of less than 8 hours.
- 6.3 The pay period shall commence at the beginning of the Sunday/Monday night shift. When a major part of a shift falls on a particular day the whole shift shall be regarded as being worked on that day.
- 6.4 Variations to rostering practice within individual hospices may be varied by agreement between the employer and employees of the hospice.
- 6.5 Rosters will be published not less than 28 days prior to the commencement of the roster, provided that less notice may be given in exceptional circumstances. Rosters posted will show shifts for a minimum 28 day period. Changes in rosters, once posted, shall be by mutual agreement.
 - (a) Every employee shall have two periods of at least 24 hours off shift each week and except in the case of emergencies or by agreement, these shall be consecutive.
 - (b) Except in an emergency, no employee shall work more than seven consecutive eight hour shifts.

6.6 Minimum break between shifts:

- (a) Except in an emergency a break of at least nine continuous hours must be provided between any two periods of duty of a full shift or more. Note: if the employee requests a lesser break overtime payments will not apply.

6.7 Notwithstanding the foregoing conditions staff may be permitted to change shifts with one another by mutual arrangement and with the prior approval of the manager. Overtime or other penalty provisions shall not apply in these instances.

6.8 Except in an emergency an employee changing shifts on consecutive days shall be rostered off for a minimum of nine consecutive hours.

6.9 Shifts, once commenced, shall be continuous unless otherwise agreed between the employer, NZNO and the employee.

6.10 Employees of .8FTE or greater will not be required to change between day and night shifts more than once in any fortnight.

6.11 Extended hours roster

In specific instances, i.e. shifts of longer or variable lengths, the ordinary hours for a full time employee are able to be averaged over a roster cycle of greater than one fortnight e.g.: an employee who works 10 to 12 hour shifts may work 120 hours over a three week roster and be considered to be fulltime. No employee shall be required to work more than a 10 hour rostered shift.

- a) Alternative hours of work may be implemented by agreement between the employer, the employees directly affected and the NZNO. Such agreement shall be in writing and signed by the representatives of the parties.

It is recognised that some areas may continue to utilise the standard eight hour roster alongside the 10 hour rosters. If a party to this Agreement wishes, for health and safety reasons, to change the above roster patterns, they shall engage in a process of consultation consistent with Clause 22 in order to do so.

- b) Every employee shall have at least two consecutive 24 hour periods off shift each week.

No employee working 10 hours per rostered shift shall work more than five consecutive shifts. Where five consecutive 10 hour shifts are worked the employee must then have a minimum of three consecutive 24 hour periods off shift.

- c) Minimum breaks between duties: No 10-hour roster shall contain breaks between shifts of less than nine consecutive hours. If the actual breaks are not achieved then the payment provisions of the overtime clause 8.0 shall apply. Note: if the employee requests a lesser break the overtime payments will not apply.

- 6.12 In the event there is a staffing shortage which cannot be alleviated, patient cares and/or the volume and range of services may be reduced in accordance with direction by the appropriate manager and organisational policies. In addition, the following process shall apply:
- 6.12.1. When a nurse considers they have reached the limits of safe practice they will be supported to resolve the situation as follows: -
- (i) The Nurse Manager or equivalent position will be immediately informed of the situation by the nurse.
 - (ii) The Nurse and the Nurse Manager, or equivalent position, will in good faith discuss the situation and endeavour to reach an agreed plan to resolve any potential issue around safe practice, before point (iii) takes effect.
 - (iii) The nurse will not be required to take additional workload until strategies have been implemented to address the immediate workload issues (eg: the redeployment of staff or patients) notwithstanding any immediate shift of care requirements.
- 6.13 The parties acknowledge the Employment Relations (Flexible Working Arrangements) Amendment Act 2007 and its provisions.
- 6.14 Shift cancellation
- In the instance where a shift is requested and agreed to be performed by a casual or an employee working over and above their contracted hours is cancelled, at least 4 hours' notice of shift cancellation will be given. Where an employee is given less than 4-hours' notice of shift cancellation the employee will be paid half of their expected shift earnings for the cancelled shift. When the employee has already commenced a shift and the shift is cut short, the employee will be paid as if they had worked the entire shift.
