“Casual employee” means an employee who has no set hours or days of work and who is asked to work as and when required with no expectation of ongoing employment.. Casual employees cannot be used to replace genuine permanent or temporary situations except to meet business requirements where no other alternative is possible

Each period of engagement undertaken by a casual employee is a standalone employment arrangement and the employment shall be at an end at the completion of the work required.

Nothing in this agreement, either expressly or implied, requires the employer to offer any employment to any casual employee, notwithstanding that the employee may be recognised on any list maintained by the employer to assist in obtaining casual staff.

Notwithstanding anything contained elsewhere in this agreement, a casual employee's engagement on more than one occasion, or retention on any list maintained by the employer, shall not entitle that employee to any service related benefit contained in this agreement.

"Call back" is defined as a call back to the inpatient unit and will be paid at the ordinary rate with a minimum payment of three hours. Except that if an employee is called back within 9 hours of having completed a shift, they will be paid at overtime rates for a minimum of three hours.

"Night Duty" means any duty in which part of the duty is worked between midnight and 5:00am on any day of the week.

"Nurse and nursing staff" includes all employees covered by this SECA who:

There is no expectation of ongoing employment. Fixed Term agreements must not be used to deny staff security of employment.

"Week" is defined as midnight Sunday/Monday to midnight Sunday/Monday, for the purpose of calculating the pay week and "fortnight" has a corresponding meaning involving two successive weeks.

## ***6.0 Hours of Work***

The parties note that the Health & Safety at Work Act 2015 requires the employer to take all practical steps to prevent harm occurring to employees from the way work is organised.

In designing and implementing shift rosters to meet service needs, the employer shall ensure the disruption, personal health effects and fatigue associated with shift work are minimised for the group of workers involved.

- 6.1 The ordinary working hours of an employee employed full-time shall be 80 per fortnight.
- 6.2 Employees will normally work eight hours a day/shift in duration, however night shift hours may vary by agreement, except that part-time employees by mutual agreement between the employer and the employee, may work shifts of less than 8 hours.
- 6.3 The pay period shall commence at the beginning of the Sunday/Monday night shift. When a major part of a shift falls on a particular day the whole shift shall be regarded as being worked on that day.
- 6.4 Rostering practices in existence prior to this agreement, if not inconsistent with this agreement, shall continue to apply.
- 6.5 Variations to rostering practice may be varied by following the requirements in Section 22 of this SECA. Where a specific rostering agreement exists between an individual staff member and the employer, variation to this will be by mutual agreement. .
- 6.6 Rosters will be published not less than 28 days prior to the commencement of the roster, provided that less notice may be given in exceptional circumstances. Rosters posted will show duties for a minimum 28 day period. Changes in rosters, once posted, shall be by mutual agreement.
  - (a) Every employee shall have two periods of at least 24 hours off duty each week and except in the case of emergencies or by agreement, these shall be consecutive.
  - (b) Except in an emergency, no employee shall work more than seven consecutive eight hour duties.
- 6.7 Minimum break between shifts:
  - (a) Except in an emergency a break of at least nine continuous hours must be provided between any two periods of duty of a full shift or more. Note: if the employee requests a lesser break overtime payment will not apply.
- 6.8 Notwithstanding the foregoing conditions staff may be permitted to change shifts with one another by mutual arrangement and with the prior approval of the manager. Overtime or other penalty provisions shall not apply in these instances.
- 6.9 Except in an emergency an employee changing shifts on consecutive days shall be rostered off for a minimum of nine consecutive hours.
- 6.10 Shifts, once commenced, shall be continuous unless otherwise agreed between the employer, NZNO and the employee.

6.11 Employees of .8FTE or greater will not be required to change between day and night duties more than once in any fortnight unless by mutual agreement

6.12 Additional Provisions for Employees working Alternative Rosters

In specific instances, i.e. shifts of longer or variable lengths, the ordinary hours for a full time employee are able to be averaged over a roster cycle of greater than one fortnight e.g.: an employee who works 10 hour shifts may work 120 hours over a three week roster and be considered to be fulltime. No employee shall be required to work more than a 10 hour rostered shift.

- a) Alternative hours of work may be implemented by agreement between the employer, the employees directly affected and the NZNO. Such agreement shall be in writing and signed by the representatives of the parties.

It is recognised that some areas may continue to utilise the standard eight hour roster alongside the 10 hour rosters. If a party to this Agreement wishes, for health and safety reasons, to change the above roster patterns, they shall engage in a process of consultation consistent with Clause 22 in order to do so.

- b) Every employee shall have at least two consecutive 24 hour periods off duty each week.

No employee working 10 hours per rostered shift shall work more than five consecutive duties. Where five consecutive 10 hour duties are worked the employee must then have a minimum of three consecutive 24 hour periods off duty.

- c) Minimum breaks between duties: No 10-hour roster shall contain breaks between duties of less than nine consecutive hours. If the actual breaks are not achieved then the payment provisions of the overtime clause 8.0 shall apply. Note: if the employee requests a lesser break the overtime payments will not apply.

- d) Overtime - the following payments shall apply:

(i) Ten-hour shifts: Overtime shall be paid at T1.5 for the 11<sup>th</sup> hour and T2 for additional hours worked in excess of a rostered 10 hour shift.

(ii) For all other employees working alternative hours of work, overtime shall apply after 80 hours per fortnight (Clause 8.3.1 shall apply).

6.13 In the event there is a staffing shortage which cannot be alleviated, patient cares and/or the volume and range of services may be reduced in accordance with direction by the appropriate manager and organisational policies. In addition, the following process shall apply:

6.13.1. When a nurse considers they have reached the limits of safe practice they will be supported to resolve the situation as follows: -

- (i) The Nurse Manager or equivalent position will be immediately informed of the situation by the nurse.
  - (ii) The Nurse and the Nurse Manager, or equivalent position, will in good faith discuss the situation and endeavour to reach an agreed plan to resolve any potential issue around safe practice, before point (iii) takes effect.
  - (iii) The nurse will not be required to take additional workload until strategies have been implemented to address the immediate workload issues (eg: the redeployment of staff or patients) notwithstanding any immediate duty of care requirements.
- 6.14 The parties acknowledge the Employment Relations (Flexible Working Arrangements) Amendment Act 2007 and its provisions.

## **7.0 Meal Breaks**

- 7.1 Except when required for urgent or emergency work and except as provided in 7.2 below, no employee shall be required to work for more than five hours continuously without being entitled to a meal break of not less than half an hour. There will be only one meal break of not less than half an hour during a 10-hour shift.
- 7.2 An employee unable to be relieved from work for a meal break shall be entitled to have a meal while on duty and this period shall be regarded as working time.
- 7.3 Tea breaks of 10 minutes each for morning tea, afternoon tea or supper, and the equivalent breaks for night duty where these occur during duty, shall be recognised as time worked.
- 7.4 During the meal breaks prescribed above, free tea, coffee, milk and sugar shall be supplied by the employer.

## 8.0 Wages

The table below shows annual salary, the hourly rate is calculated by using a divisor of 2086.

The Employer and Employee may agree to work a shift of 10 hours in duration and will entitled to overtime for time worked in excess of 10 hours.

(b) Overtime worked on any day shall be paid at one- and one-half times the normal hourly rate of pay (T1.5) for the first three hours and double time (T2.0) thereafter.

### 8.2.2 Penal Rates

- (iii) the reimbursement rate shall be as prescribed in clause 11.2.

## **10.0 Allowances**

### **10.1 On Call**

10.1.1 In the interests of healthy rostering practices, the parties agree that the allocation of on call time should be spread as evenly as practicable amongst those required to participate in an on-call roster.

10.1.2 The on-call periods will typically cover 10pm to 8am, seven days a week, although could vary by mutual agreement between employer and employee. Rostered on-call nurses will hold a work-provided mobile phone and laptop. A registered Medical Officer or Nurse Practitioner will be available on a rostered on-call basis to provide advice and support to the on-call nurse at any time, when needed.

The expectation is that the vast majority of on-call work will be done remotely over the phone, by providing advice and support to patients, whānau or other service providers as needed. On the rare occasions, where a physical presence is required from a nurse in the community to provide urgent care and support, and where a risk assessment has assessed the environment as safe, and where an appropriate emergency protocol and system is in place, the nurse can tend to the situation in person.

Where an in-person visit is required, and the on-call nurse has legitimate hesitation or concerns to attend to the situation, he/she should discuss it with the on-call medical officer or nurse practitioner and agree a course of action. This could be a joint RN/MO visit if appropriate or calling St John's ambulance to support the patient, with remote advice and support from the RN, MO or NP. The safety of our staff is our first priority and will be a key determinant of the decision.

All RNs who are rostered to cover an on-call period will be expected to be contactable via phone for the entire duration of the on-call period and will be fit to work.

On-call rosters will, to the extent possible, be shared equally and fairly among the registered nursing team. The on-call roster will be communicated as far in advance as possible and when the general nursing roster is issued, recognising that there may be urgent or unforeseen changes.

Where an on-call period has resulted in a significant workload and where the on-call RN is due to report for a shift within 8 hours of the last call received, the employer and employee will agree reasonable arrangements for ensuring safe practice. This may include a later start or swapping shifts with a colleague where possible.

Registered Nurses who are rostered to do any on-call period between 4 hours and up to 10 hours will receive a \$100.00 flat rate for the on-call period, inclusive of all remote work done in that period (not inclusive of any in-person work required which is compensated separately).

Registered Nurses who are rostered to do on-call for less than 4 hours will be paid \$50 for the full period, inclusive of all remote work done in that period (not inclusive of any in-person work required which is compensated separately).

In the event of a crisis or emergency and the RN is required to attend to a patient in person (in communication and agreement with the on-call Medical Officer and the RN's manager and based on an appropriate risk assessment), the registered nurse will be compensated at the normal hourly rate for a minimum of two hours, or for actual time worked if longer than that.

On a Public Holiday, the on-call rate would be \$150.00 for the full on-call period up to 10 hours.

In occasional circumstances, for on-call periods that extend beyond 10 hours an RN will be paid an additional \$40 for any time over the 10-hour period up to the end of the 3<sup>rd</sup> additional hour and another \$40 for any time up to the end of the 6<sup>th</sup> additional hour. An RN will not be rostered for an on-call period that extends beyond 16 hours unless there is a critical need and where this is done by mutual agreement. Due regard will be given to the RN's health, safety and wellbeing in agreeing to the extension.

10.1.3 Being on call does not preclude an employee from being rostered on for normal duties for the shift following the on call period at ordinary rates. Circumstances surrounding actual call outs will be taken into account and additional time off will be allowed on a time for time basis or by mutual agreement, until a reasonable break has been achieved.

10.1.4 Where a rostered day off follows an On Call shift circumstances surrounding actual call outs will be taken into account and additional time off will be allowed on a time for time basis or by mutual agreement, to compensate for the impact on the rostered day off.

## 10.2 **Higher/Special Duties**

10.2.1 **Higher Duties:** The higher duties allowance payable shall be paid at a rate of \$21.50 per full eight-hour shift for a minimum of three days inclusive which for part time employees may be worked within a two week period.
