Benefits of belonging to an NZNO national section or college

As an NZNO member you can join a maximum of three sections or colleges related to your practice. Non-NZNO members may be eligible for affiliate membership.

Our sections and colleges:

- provide expert knowledge and advice to the government and other organisations.
- participate in the development of evidence-based guidelines and speciality competencies.
- advance practice through policy and professional development opportunities.
- keep you informed through newsletters, publications and conferences.

How to join

1. Complete and post this form OR join online at www.nzno.org.nz/groups/colleges_sections
2. Once received, your application will be processed and the section/college notified.
3. You will receive follow-up information from a committee member.
4. Please note some groups have a levy. The levy must be received to retain membership.

Visit www.nzno.org.nz/groups/colleges_sections for more information.

Privacy Act 2020

The information collected on this College/Section membership form is used by NZNO in its membership systems, and to establish your membership for the purposes of the 2000 Employment Relations Act.

The information requested on this online form may also be used by NZNO for:

- The operation, maintenance, administration and support of College/Section activities.
- Statistical and reporting purposes relating to that College or Section.
- Mailing list information may be passed onto College/Section committee members who provide newsletters and other updates to such members.

This statement does not replace, and should be read in conjunction with, the privacy statements on the NZNO membership form.
